

## FTH-33 Round Telescopic Hotstick

**FORZA Fiberglass Round telescopic hotstick** has been engineered to create the strongest, lightest telescopic hot stick on the market.

FORZA Fiberglass Round telescopic hotstick come with a standard tip lock feature which offers even more strength and versatility. Operator can simply lock the last two end sections together for maximum strength rigidity.

FORZA fiberglass Round telescopic hotstick offered with protective bag for storage of our fiberglass stick products. The bags designed with water resistant to protect stick with snap lock.

### Technical Parameters

Type No.	Section Number	Total Length	Test Voltage	Weight (kg)
FTH-33	3	3 Metre	20kV	1.45
